LQues : What restrictions did the RBI withdraw to ease FPI investments in corporate debt securities?

- A. Minimum capital and reporting limit
- B. Short-term investment limit and concentration limit
- C. Tax-related disclosures
- D. Exchange rate cap
- E. Lock-in period and exit norms

Answer : Option B

Explanation :

- The Reserve Bank of India (RBI) has eased investment norms for Foreign Portfolio Investors (FPIs) in corporate debt securities via the general route.
- Two key restrictions have been withdrawn : Short-term investment limit, which capped FPI holdings in short-term instruments. And Concentration limit, which restricted the FPI exposure to a single corporate issuer.
- These changes aim to simplify the investment process and boost FPI participation in India's corporate bond market.
- However, FPIs must still comply with overall investment ceilings and macroprudential regulations under the General Route 1 framework.

EXAM
Genius

Ques: Why did the RBI approve the formation of a “Committee of Executives” at IndusInd Bank?

- A. To expand rural operations
- B. Due to RBI inspection findings
- C. To implement digital banking reforms
- D. For launching a new product line
- E. Following resignation of the CEO

Answer : Option E

Explanation :

- The Reserve Bank of India (RBI) approved the formation of an interim “Committee of Executives” to oversee IndusInd Bank’s operations.
- This step was taken after the resignation of the bank’s Managing Director and CEO, Sumant Kathpalia.
- The committee includes Soumitra Sen (Head of Consumer Banking) and Anil Rao (Chief Administrative Officer), and will function for up to three months or until a new CEO is appointed.
- The committee will report to the Oversight Committee of the Board, chaired by Sunil Mehta, the Chairman of IndusInd Bank.

EXAM
Genius

Ques: According to SBI's report, what is the expected range of India's CPI inflation for Q1 FY26 (April–June 2025)?

- A. Above 6%
- B. Between 4% and 5%
- C. Below 3%
- D. Between 3% and 4%
- E. Between 5% and 6%

Answer : Option C

Explanation :

- According to the State Bank of India (SBI), India's retail inflation, measured by the Consumer Price Index (CPI), is expected to remain below 3% in Q1 FY26 (April to June 2025).
- This optimistic projection follows a drop in CPI inflation to 3.34% in March 2025, which was a 67-month low, driven by a notable decline in food prices.
- Additionally, SBI forecasts nominal GDP growth for FY26 to be between 9% and 9.5%, slightly below the Union Budget estimate of 10%.

- The State Bank of India's (SBI) Tokyo branch has provided a loan of JPY 26 billion (Rs 1,476 crore) to the Indian Renewable Energy Development Agency Limited (IREDA)
- State Bank of India (SBI), which holds a 30% share in India's ATM network with over 65,000 ATMs, earned Rs.331 crore in fees from ATM withdrawals in FY24
- The State Bank of India (SBI) has raised \$1 billion through a dollar-denominated syndicated loan, making it the largest such loan from India in 2025
- SBI Mutual Fund has introduced two new investment options centred around India's public sector banking sector are SBI BSE PSU Bank Index Fund and SBI BSE PSU Bank ETF
- SBI is launching a specialized arm to manage project financing for developing industries like AI, e-commerce, and fintech
- State Bank of India (SBI) has launched 'SBI Asmita', a collateral-free digital SME (small and medium enterprise) loan product for women entrepreneurs to assist them build their businesses.

LQues: Which company has launched India's first Model Context Protocol (MCP) server for a payment gateway?

- A. Paytm
- B. Razorpay
- C. PhonePe
- D. CCAvenue
- E. Google Pay

Answer : Option B

Explanation :

- Razorpay Software Private Limited has launched India's first Model Context Protocol (MCP) server for a payment gateway.
- The MCP server, developed by Anthropic, enables AI systems (like AI Assistants) to Create payment links, Initiate refunds and Manage transactions
- These tasks can now be carried out without traditional dashboards or APIs, offering seamless AI-driven financial operations.
- This marks a major leap from earlier methods where businesses used the Razorpay dashboard for initiating and authorizing payments.

Ques: Who assumed the role of Acting President of South Korea after Han Duck-soo's resignation in 2025?

- A. Yoon Suk Yeol
- B. Park Jin
- C. Kim Dae-jung
- D. Lee Ju-ho
- E. Moon Jae-in

Answer : Option D

Explanation :

- Han Duck-soo, the Acting President and Prime Minister of South Korea, resigned to contest in the upcoming presidential election set for June 3, 2025.
- This comes after the impeachment of President Yoon Suk Yeol in December 2024 due to his controversial martial law declaration.
- Following Han's resignation, Education Minister Lee Ju-ho was appointed as Acting President, marking the fourth leadership change in a short span since December 2024.

Ques: Which flagship Indian scheme is being showcased at the World Bank Land Conference 2025 for digital land reforms?

- A. SVAMITVA Scheme
- B. MGNREGA
- C. PM-KISAN
- D. PM Fasal Bima Yojana
- E. UDAY Scheme

Answer : Option A

Explanation :

- India is leading global dialogue on digital land reforms and climate-aligned governance at the World Bank Land Conference 2025, held from May 5 to 8 in Washington, D.C., USA.
- A high-level Indian delegation, led by Vivek Bharadwaj, Secretary of the Ministry of Panchayati Raj, is participating.
- India is presenting its flagship SVAMITVA Scheme and Gram Manchitra platform at the event.
- The theme of the conference is “Securing Land Tenure and Access for Climate Action: Moving from Awareness to Action.”

About SVAMITVA (Survey of Villages and Mapping with Improvised Technology in Village Areas) scheme :

- Launched : Panchayati Raj Diwas (April 24th), 2020
- Implemented By : Ministry of Panchayati Raj
- Technology : Drone Surveying for property mapping
- Aim : To provide an integrated property validation solution for rural India
- The scheme has so far issued property cards to over 24.4 million households across 1.6 lakh villages, covering more than 100 million property parcels

Ques : What is the total foodgrain production target for 2025-26 crop year as set by the Indian government?

- A. 330.97 million tonnes
- B. 341.55 million tonnes
- C. 354.64 million tonnes
- D. 368.00 million tonnes
- E. 315.61 million tonnes

Answer : Option C

Explanation :

- The Government of India has set a foodgrain production target of 354.64 million tonnes (MT) for the 2025–26 crop year (July–June).
- This represents a 4% increase from the 2024–25 target of 341.55 MT.
- The target was announced by the Union Agriculture Ministry during a national Kharif strategy conference chaired by Agriculture Minister Shivraj Singh Chouhan.
- The revision follows the IMD's forecast of an above-normal monsoon, which is expected to support better Agri-GVA growth.
- Crop-wise targets : Rice: 147 MT (+8%), Wheat: 117 MT (+2%) and Kharif contribution: 168.88 MT
- Current year's foodgrain production so far stands at 330.97 MT, excluding summer crops.
- The agriculture sector's GVA growth is projected at 3.8% in FY25, compared to 1.4% in FY24.
- The Viksit Bharat Sankalp Abhiyan (May 29–June 12) will promote awareness on modern farming techniques and seed varieties.

Ques: What is the purpose of the Multi-Influence Ground Mine (MIGM) recently validated by DRDO and the Indian Navy?

- A. Targeting modern stealth ships and submarines
- B. Neutralizing aerial threats
- C. Missile guidance in space warfare
- D. Surveillance in high-altitude terrains
- E. Intercepting ballistic missiles

Answer : Option A

Explanation :

- The Multi-Influence Ground Mine (MIGM) is an advanced underwater naval mine developed by DRDO, led by the Naval Science & Technological Laboratory, Visakhapatnam.
- It is designed to enhance India's naval defence by targeting modern stealth ships and submarines.
- Collaborating DRDO labs include HEMRL (Pune) and TBRL (Chandigarh).
- Bharat Dynamics Limited (Visakhapatnam) and Apollo Microsystems Limited (Hyderabad) are the production partners.

About DRDO :

- Established : 1958
- HQ : New Delhi
- Chairman : Sameer V. Kamat

- DRDO, in collaboration with experts from IIT Delhi, has created lightweight bulletproof jackets called ABHED (Advanced Ballistics for High Energy Defeat), which provide 360-degree protection.
- The Indian Light Tank, Zorawar, underwent successful initial vehicle testing undertaken by the Defence Research and Development Organisation (DRDO).
- The Indian Navy, in collaboration with the Defence Research and Development Organisation (DRDO), successfully tested the Vertical Launch Short Range Surface to Air Missile (VL-SRSAM).
- India has completed a successful test-fire of Agni-4 Ballistic Missile in Chandipur, Odisha. The Agni missiles are designed and developed by the DRDO.
- Energy-harvesting shoes with GPS tracking have been created by the IIT Indore, Madhya Pradesh, in collaboration with the DRDO.

Ques: Which organization developed the upgraded Health Management Information System (HMIS) platform under the Central Government Health Scheme (CGHS)?

- A. National Informatics Centre (NIC)
- B. Tata Consultancy Services (TCS)
- C. Centre for Development of Advanced Computing (C-DAC)
- D. Bharat Electronics Limited (BEL)
- E. Infosys

Answer : Option C

Explanation :

- The Ministry of Health and Family Welfare launched an upgraded version of its Health Management Information System (HMIS) under the Central Government Health Scheme (CGHS).
- The platform was developed by the Centre for Development of Advanced Computing (C-DAC), functioning under the Ministry of Electronics and Information Technology.
- Alongside HMIS, the CGHS mobile application was also re-launched with enhanced digital services and an upgraded interface.

Key features of the upgraded system include:

- Permanent Account Number (PAN)-based identification of beneficiaries
- Real-time tracking
- Automated payment verification
- Fully online application workflows

Ques: Who recently visited India to strengthen UK-India cultural ties and cooperation in creative sectors?

- A. Rishi Sunak
- B. David Cameron
- C. James Cleverly
- D. Suella Braverman
- E. Lisa Nandy

Answer : Option E

Explanation :

- In an effort to promote cooperation in a range of creative fields and deepen cultural links, Lisa Nandy, the UK's Secretary of State for Culture, Media, and Sport, traveled to India for three days.
- The UK-India Programme of Cultural Cooperation seeks to foster long-term collaborations between creative enterprises and cultural institutions in both nations as well as to strengthen bilateral cultural interactions through the arts and heritage.
- In accordance with this new agreement, the UK and India will collaborate closely to support best practices and knowledge in museum management, heritage conservation, and collection digitization.

Ques: Who has been appointed as the 10th Chancellor of Germany, replacing Olaf Scholz?

- A. Olaf Scholz
- B. Annalena Baerbock
- C. Friedrich Merz
- D. Armin Laschet
- E. Frank-Walter Steinmeier

Answer : Option C

Explanation :

- Friedrich Merz, leader of the Christian Democratic Union (CDU) party, has been appointed as the 10th Chancellor of Germany.
- He was elected by the Bundestag (German Parliament) and will serve a 4-year term.
- He replaces Olaf Scholz as Chancellor.
- Notably, this marks the first time since World War II that a German Chancellor was elected in the second round of parliamentary voting, reflecting a significant moment in German political history.
- Bundestag is the national Parliament of Germany, whose members are elected by the German public

EXAM
Genius

Ques : What is the main objective of Mukhyamantri Neera Samvardhan Yojana launched by Bihar Government?

- A. Promote tourism in rural areas
- B. Ban toddy tapping
- C. Support toddy tappers and increase neera production
- D. Export neera to foreign countries
- E. Replace sugar with neera in all state products

Answer : Option C

Explanation :

- The Mukhyamantri Neera Samvardhan Yojana has been launched by the Bihar Government to boost neera (palm nectar) production and support toddy tappers.
- Implemented by the Prohibition, Excise, and Registration Department in collaboration with Jeevika, this scheme offers livelihood support.
- Around 20,000 toddy tappers will receive Rs.8 per litre as incentive via Direct Benefit Transfer (DBT).
- The plan includes utilizing 2 lakh palm trees, with Rs.30 per tree for identification and Rs.15,600 for owners of 10+ trees.
- Districts like Nalanda, Gaya, Muzaffarpur, and Vaishali have the highest toddy tapper populations.
- Neera kiosks are being set up, especially in Nalanda, to promote its sale as a nutritious, non-alcoholic drink.
- The scheme aligns with Bihar's alcohol prohibition policy, offering neera as a healthy alternative and source of income.
- This move follows Tejashwi Yadav's call for amending the Prohibition Act, reflecting a shift toward sustainable livelihoods.

Ques: What is the name of India's first dedicated transshipment and semi-automated port commissioned by PM Modi in Kerala?

- A. Cochin Port
- B. Tuticorin Port
- C. Vizhinjam Port
- D. Paradip Port
- E. Ennore Port

Answer : Option C

Explanation :

- Vizhinjam International Deepwater Multipurpose Seaport in Thiruvananthapuram, Kerala was commissioned by Prime Minister Narendra Modi.
- It is India's first dedicated transshipment and semi-automated port.
- The port follows a Public-Private Partnership (PPP) model under a landlord structure.
- Owned by the Government of Kerala and operated by Adani Ports & SEZ, the port will be fully operational by December 2024 and completely developed by 2028.
- It is located just 10 nautical miles from international shipping routes, offering major strategic advantages.
- Owned by the Government of Kerala and operated by Adani Ports & SEZ under a 40-year concession.
- Adani Vizhinjam Port will pay the government a share of the revenue generated when all four phases are operational from 2034.

Ques: Who inaugurated the 22nd edition of the Bharat Telecom event held in New Delhi?

- A. Ashwini Vaishnaw
- B. Rajeev Chandrasekhar
- C. Jyotiraditya Scindia
- D. Devusinh Chauhan
- E. Nirmala Sitharaman

Answer : Option C

Explanation :

- The 22nd edition of Bharat Telecom was held in New Delhi.
- It was inaugurated by Union Minister Jyotiraditya Scindia, who handles the Ministry of Communications and Development of North Eastern Region.
- The event was jointly organized by the Telecom Equipment and Services Export Promotion Council (TEPC) and the Department of Telecommunications (DoT).
- TEPC was established in 2009, is headquartered in New Delhi, and its Chairman is Arnob Roy.

EXAM
Genius

Ques: Who was appointed as the Chairperson of the Public Accounts Committee (PAC) of the Indian Parliament in 2025?

- A. Adhir Ranjan Chowdhury
- B. Mallikarjun Kharge
- C. K C Venugopal
- D. Shashi Tharoor
- E. Rahul Gandhi

Answer : Option C

Explanation :

- Senior Indian National Congress (INC) leader K C Venugopal was appointed as the Chairperson of the Public Accounts Committee (PAC), one of the most prominent parliamentary committees.
- He was appointed by Lok Sabha Speaker Om Birla, and his tenure will last until April 2026.
- This appointment follows the long-standing 1967 convention that the PAC Chairperson is selected from the principal opposition party in the Lok Sabha.
- The PAC plays a crucial role in auditing the expenditure of the Government of India and ensuring accountability.

About Public Accounts Committee :

- Established : 1921 (pre-independence), reconstituted in 1950 (postindependence)
- Composition : 22 members (15 from Lok Sabha and 7 from Rajya Sabha)
- The PAC ensures accountability in the utilization of public funds by examining audit reports from the Comptroller and Auditor General of India (CAG)

Recent Appointment in different departments :

- Baijayant 'Jay' Panda : Chairman of Committee on Public Undertakings (CoPU)
- Dr. Sanjay Jaiswal : Chairman of Committee on Estimates (CoE)
- Sanjay Khanna (Director Refinery) : Chairman and Managing Director (CMD) of BPCL (Replaced G. Krishnakumar)
- Prakash Magdum : Managing Director (MD) of the National Film Development Corporation (NFDC)
- Shri Gyaneshwar Kumar Singh : Director General and Chief Executive Officer of the Indian Institute of Corporate Affairs (IICA)
- Sujata Chaturvedi and Anuradha Prasad : Members of the Union Public Service Commission (UPSC)
- Greg Abel : CEO of Berkshire Hathaway (Replaced Warren Buffett)
- Ruchir Dixit : Chairperson of India Electronics and Semiconductor Association (IESA)
- Gunjan Soni : Country Managing Director for YouTube India (She replaces Ishan Chatterjee)
- Anant Ambani : Executive Director of Reliance Industries Ltd (RIL)
- Tejpal Bhatia : Chief Executive Officer (CEO) of Texas based Axiom Space Inc. (Replaced Dr. Kam Ghaffarian)
- Khunying Patama Leeswadtrakul (Thailand) : President of BWF (replaces Poul-Erik Høyer Larsen of Denmark)
