Ques: Which Indian financial institution became the first Indian issuer in 2026 to raise overseas debt through a dual-tranche, long-duration US dollar-denominated bond issue worth \$1 billion?

- A) State Bank of India (SBI)
- B) Export-Import Bank of India (EXIM Bank)
- C) Power Finance Corporation (PFC)
- D) National Bank for Financing Infrastructure and Development (NaBFID)
- E) India Infrastructure Finance Company Limited (IIFCL)

Answer: Option B

Explanation:

- Export-Import Bank of India (EXIM Bank) accepted bids worth \$1 billion for its dual-tranche, long-duration US dollar-denominated bonds, making it the first Indian issuer to raise overseas debt in 2026.
- The bond issue consisted of two tranches:
 - 10-year bond: \$500 million, coupon rate 5.00%, spread 85 basis points over the 10-year US Treasury yield.
 - 30-year bond: \$500 million, coupon rate 5.75%, spread 95 basis points over the 30-year US Treasury yield.
- The bonds are rated BBB– by Fitch Ratings, in line with EXIM Bank’s issuer rating.

Recently signed banking agreements

- Tamilnad Mercantile Bank has entered into a strategic partnership with TechFini to enhance its UPI acquiring and issuing capabilities.
- The Delhi Government signed a Memorandum of Understanding with the Reserve Bank of India to operate under RBI's complete banking, cash management, and debt management framework for the first time.
- The Department of Posts and the Small Industries Development Bank of India (SIDBI) signed a landmark MoU to implement a nationwide Contact Point Verification system.
- Fyno has partnered with Kerala Grameena Bank (KGB) to deploy a unified customer communication platform.
- Canara HSBC Life Insurance Company Limited has entered into a strategic bancassurance partnership with Equitas Small Finance Bank to expand life insurance distribution through ESFB's branch network.
- BharatPe, in partnership with YES Bank, launched 'Pay Later with BharatPe', an instant Credit on UPI product powered by NPCI.

Ques: What does the World Bank Group's 'Global Economic Prospects (January 2026)' report project for India's economic growth?

- A) India's GDP growth is projected to decline to below 6% in FY26
- B) India's GDP growth is projected at 7.2% in FY26, revised upward from earlier estimates
- C) India's GDP growth is projected to remain unchanged at 6.3% in FY26
- D) India's GDP growth is projected to accelerate to above 8% in FY27
- E) India's GDP growth is projected to stagnate with no moderation in FY27

Answer: Option B

Explanation:

- The World Bank Group released its flagship 'Global Economic Prospects (GEP): January 2026' report.
- The report revised India's GDP growth projection for FY 2025–26 upward to 7.2%, from the earlier estimate of 6.3% made in June 2025.
- India's economic growth is expected to moderate to 6.5% in FY27, lower than the previous estimate of 7.2%.
- The projections indicate strong near-term economic momentum with gradual moderation in the medium term.

EXAM
Genius

Ques: How many cryptocurrency exchanges were registered with India's Financial Intelligence Unit (FIU-IND) during FY 2024–25, and under which law were crypto exchanges brought for AML–CTF compliance?

- A) 49 exchanges – PMLA
- B) 41 exchanges – IT Act
- C) 32 exchanges – FEMA
- D) 55 exchanges – RBI Act
- E) 60 exchanges – Companies Act

Answer: Option A

Explanation:

- During FY 2024–25, a total of 49 cryptocurrency exchanges were registered with India's Financial Intelligence Unit (FIU-IND), most of them domestic.
- As of March 2025, 45 onshore exchanges and 4 offshore exchanges were registered with FIU-IND.
- In FY25, FIU-IND imposed penalties worth ₹28 crore on certain non-compliant crypto exchanges.
- In 2023, all crypto exchanges in India were brought under the Prevention of Money Laundering Act (PMLA), making them reporting entities for AML–CTF compliance.
- Cryptocurrencies are classified as Virtual Digital Assets (VDAs), and crypto exchanges are designated as VDA Service Providers (VDA SPs).

Ques: Which bank has partnered with NPCI BHIM Services Limited (NBSL) to use its bank plugins for offering UPI services on its banking app?

- A) State Bank of India
- B) Punjab National Bank
- C) Canara Bank
- D) Bank of Baroda
- E) Union Bank of India

Answer: Option C

Explanation:

- Canara Bank will use NPCI BHIM Services Limited (NBSL) bank plugins to offer UPI services on its banking payments app, Canara ai1Pe.
- This partnership allows Canara Bank to integrate the latest UPI payment launches and feature upgrades, similar to those available on the BHIM app.
- Canara Bank is the first bank to adopt NBSL's technology-sharing model for UPI services.
- In 2025, BHIM presented a proof of concept under 'BHIM Vishwas', enabling banks to leverage BHIM's technology stack.

EXAM
Genius

Ques: Which organisation has been recognised by the Reserve Bank of India (RBI) as a Self-Regulatory Organisation (SRO) for all Authorised Dealers under the Omnibus SRO Framework in January 2026?

- A) FIMMDA – Fixed Income Money Market & Derivatives Association
- B) FIDC – Finance Industry Development Council
- C) FEDAI – Foreign Exchange Dealers’ Association of India
- D) FACE – Fintech Association for Consumer Empowerment
- E) AMFI – Association of Mutual Funds in India

Answer: Option C

Explanation:

- The Foreign Exchange Dealers’ Association of India (FEDAI) has been recognised by the RBI as a Self-Regulatory Organisation (SRO) for all Authorised Dealers under the Omnibus SRO Framework in January 2026.
- RBI noted that FEDAI has long functioned like an SRO through its rules governing the conduct of its members.
- FEDAI has been given one year to align its governance and operational framework with the Omnibus SRO Framework.
- During this period, FEDAI must also extend its membership to all categories of Authorised Dealers.
- As of January 2026, RBI has recognised four SROs under the Omnibus Framework, including FEDAI (Forex Authorised Dealers) on January 14, 2026 and FIDC (NBFCs) on October 3, 2025.

Ques: Which bank has received RBI and Karnataka Government approval to collect State government revenue through the Khajane-2 Integrated Financial Management System (IFMS)?

- A) Canara Bank
- B) Karnataka Bank
- C) Union Bank of India
- D) Bank of Baroda
- E) Indian Bank

Answer: Option B

Explanation:

- Karnataka Bank has received authorisation from the Reserve Bank of India (RBI) and approval from the Department of Treasuries, Government of Karnataka.
- This approval allows the bank to collect State government revenue receipts through the Khajane-2 Integrated Financial Management System (IFMS).
- Karnataka Bank can collect various State government taxes and fees from citizens using its Internet banking services.
- Karnataka Bank was established in 1924 and is headquartered in Mangaluru, Karnataka.
- The CEO & Managing Director of Karnataka Bank is Raghavendra Srinivas Bhat, and its tagline is “Your Family Bank Across India.”

Ques: Which ministry advised Public Sector Banks to introduce a composite Salary Account Package for Central Government Employees, and what are its three core segments?

- A) Ministry of Labour – Banking, Pension, Cards
- B) Ministry of Personnel – Salary, Insurance, Pension
- C) Ministry of Home Affairs – Banking, Insurance, Loans
- D) Ministry of Finance (DFS) – Banking, Insurance, Cards
- E) Ministry of Social Justice – Banking, Welfare, Cards

Answer: Option D

Explanation:

- The Department of Financial Services (DFS) under the Ministry of Finance advised Public Sector Banks to introduce a Composite Salary Account Package for Central Government Employees.
- The objective is to enhance the financial well-being and social security of Central Government employees.
- The package is designed as a one-stop financial solution with three core segments: Banking, Insurance, and Cards.

Key Banking & Loan Features:

- Zero-balance salary account with enhanced facilities.
- Free remittances via RTGS, NEFT, and UPI, along with cheque facilities.
- Concessional interest rates on housing, education, vehicle and personal loans, along with concessions in processing charges.
- Locker rent waivers and family banking benefits

Enhanced Insurance Coverage:

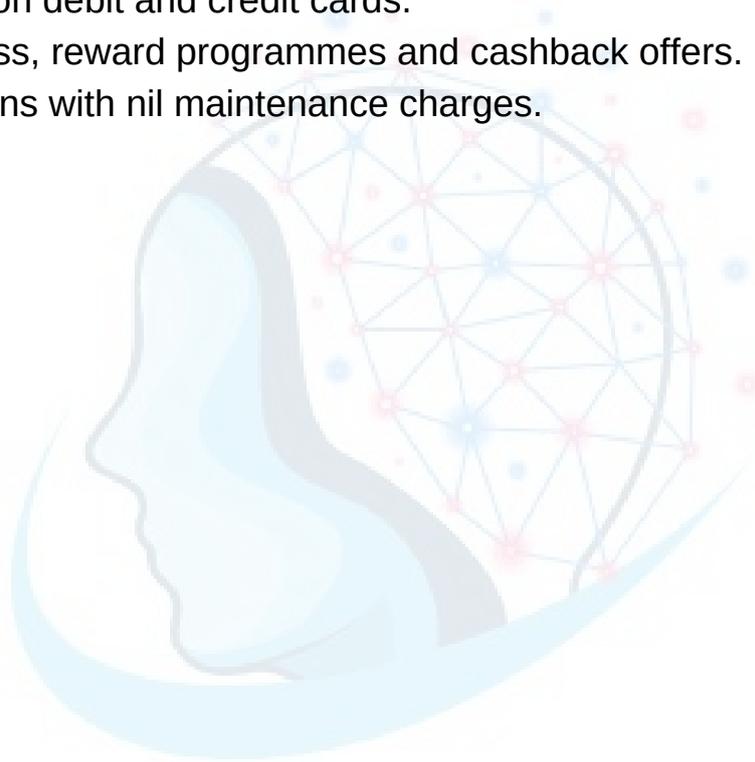

- Personal Accident Insurance cover up to ₹1.50 crore.
- Air Accident Insurance cover up to ₹2 crore.
- Permanent Total and Partial Disability cover up to ₹1.50 crore.
- Comprehensive Health Insurance for self and family with base plan and top-up options.

- In-built Term Life Insurance cover up to ₹20 lakh, with optional top-up facility.

Digital & Card Features:

- Enhanced benefits on debit and credit cards.
- Airport lounge access, reward programmes and cashback offers.
- Unlimited transactions with nil maintenance charges.

Ques: Which university inaugurated the IIT-Mandi Catalyst Satellite Centre in Greater Noida, and what is the main objective of this centre?

- A) Amity University – Space research promotion
- B) Galgotias University – Startup support and deep-tech innovation
- C) Sharda University – Skill development in AI
- D) Gautam Buddha University – Industrial training
- E) Noida International University – Research publications

Answer: Option B

Explanation:

- Galgotias University inaugurated the IIT-Mandi Catalyst Satellite Centre at its campus in Greater Noida, Uttar Pradesh.
- The centre has been established in collaboration with IIT Mandi, Himachal Pradesh.
- Its main objective is to support early-stage startups, promote deep-tech innovation, and bridge the gap between academic research and real-world applications.
- Galgotias University also signed MoUs with NIT Jamshedpur (Jharkhand) and Jharkhand University of Technology (JUT), Ranchi.

Ques: Why is Marvell Technology expanding its presence in India, as announced by the Union Minister for Electronics and Information Technology?

- A) To set up a semiconductor manufacturing fab in India
- B) To design cutting-edge 2-nanometer (2 nm) chips and strengthen India's chip design ecosystem
- C) To focus only on mobile phone assembly units
- D) To exit operations from other Asian countries
- E) To manufacture consumer electronics exclusively for the Indian market

Answer: Option B

Explanation:

- Union Minister for Electronics and Information Technology Ashwini Vaishnaw stated that Marvell Technology is expanding in India to design advanced 2-nanometer (2 nm) semiconductor chips.
- The 2 nm node is among the most advanced semiconductor technologies, enabling high-performance and energy-efficient computing.
- As part of this expansion, Marvell will collaborate with Indian chip design start-ups and partner with Indian universities.
- The initiative aims to strengthen India's domestic chip design capabilities and the overall semiconductor and electronics ecosystem.
- Marvell Technology is a global semiconductor company that designs chips for data infrastructure, including AI, cloud computing, data centres, enterprise networking, and the automotive sector.

News Headlines Related to Ministry :

- The Ministry of Information & Broadcasting and the Office of the Principal Scientific Adviser (PSA) to the Government of India marked the culmination of Inspiring Innovators – Naye Bharat Ki Nayi Pehchaan, a skilling initiative developed in collaboration with the Netflix Fund for Creative Equity.
- Union Minister Ashwini Vaishnaw, Ministry of Railways, conferred 100 railway officers and employees with the 70th Ati Vishisht Rail Seva Puraskar (AVRSP) and awarded 26 shields to top-performing railway zones.
- Union Minister for Communications Jyotiraditya Madhavrao Scindia announced the launch of two new India Post services—Speed Post 24 and Speed Post 48—during a programme held at Pichor in Shivpuri district of Madhya Pradesh.
- Nyaya Setu Legal Service was launched on 1 January 2026 by the Ministry of Law and Justice.
- Union Minister of State Dr. Jitendra Singh from the Ministry of Science & Technology announced the removal of the mandatory 3-year existence condition for deep-tech startups.
- The Ministry of Electronics and Information Technology (MeitY), the IndiaAI Mission, the Government of Assam and IIT Guwahati are hosting a two-day Working Group Meeting in “Human Capital” at the IIT Guwahati campus

Ques: What major record did Indian Railways achieve through the Dedicated Freight Corridor (DFC) network on 5 January 2026?

- A) Longest freight train operation in India
- B) Highest number of containers transported in a day
- C) Highest number of interchange freight trains handled in a single day
- D) Fastest freight train speed achieved
- E) Maximum freight revenue earned in a day

Answer: Option C

Explanation:

- Indian Railways, through the Dedicated Freight Corridor (DFC) network, achieved the highest number of interchange freight trains handled in a single day.
- On 5 January 2026, a total of 892 interchange freight trains were handled between the DFC network and five zones of Indian Railways.
- This marked the highest interchange record since the commissioning of the Dedicated Freight Corridors.
- The previous record was 865 interchange freight trains, achieved on 4 January 2026.

Genius

Ques: What is the key objective and feature of the newly launched Paripoorna Medclaim Ayush Bima for CGHS beneficiaries?

- A) It is a compulsory insurance scheme with fixed coverage for all citizens
- B) It provides cashless, AYUSH-inclusive health insurance exclusively for CGHS beneficiaries with discounted premiums
- C) It covers only outpatient treatments without hospitalization benefits
- D) It offers insurance only for government hospitals with limited sum insured
- E) It is a short-term accident insurance policy without co-payment options

Answer: Option B

Explanation:

- The Department of Financial Services (DFS), Ministry of Finance, launched the Paripoorna Medclaim Ayush Bima for CGHS beneficiaries.
- The policy provides cashless hospitalization, modern treatments, and AYUSH-inclusive healthcare through a wide hospital network across India.
- It is exclusively available to CGHS beneficiaries and covers up to six members per policy.
- Sum insured options are ₹10 lakh and ₹20 lakh.
- The policy includes co-payment options of 70:30 or 50:50, room rent caps, and pre- and post-hospitalization coverage.

EXAM
Genius

Ques: Why did the Telecom Regulatory Authority of India (TRAI) impose a penalty of ₹150 crore on telecom operators?

- A) Failure to expand 5G services
- B) Delay in spectrum payments
- C) Failure to effectively curb spam calls and unsolicited messages
- D) Non-compliance with tariff regulations
- E) Poor quality of mobile network services

Answer: Option C

Explanation:

- TRAI imposed a penalty of ₹150 crore on telecom operators for failing to effectively curb spam calls and unsolicited commercial communications.
- The penalty pertains to violations spread over a three-year period beginning in 2020.
- As per TRAI regulations, a financial disincentive of up to ₹50 lakh per month per Licensed Service Area (LSA) can be imposed on telecom operators.
- To enhance consumer protection, TRAI extended the complaint registration window for subscribers from 3 days to 7 days.
- TRAI also tightened action thresholds against spammers, where five complaints within the last 10 days are sufficient to trigger regulatory action.

Ques: What are the key measures taken by the Ministry of Road Transport and Highways (MoRTH) to improve toll payment efficiency and commuter experience on National Highways?

- A) Introduction of FASTag Annual Pass, reduced penalty for UPI payments, and rollout of barrier-free MLFF tolling
- B) Complete removal of toll plazas and free highway travel for all vehicles
- C) Mandatory cash-only payments with higher toll rates
- D) Suspension of FASTag system and manual toll collection
- E) Uniform toll charges across all highways regardless of road condition

Answer: Option A

Explanation:

- MoRTH, in collaboration with NHAI, has implemented commuter-centric reforms to simplify toll payments and reduce congestion.
- The FASTag Annual Pass, launched on 15 August 2025, allows users to pay ₹3,000 for 200 toll trips or one year of travel across 1,159 toll plazas nationwide.
- Digital payment penalties have been reduced: non-FASTag payments previously charged 2x, now UPI payments are charged 1.25x, promoting cashless options.
- Barrier-free Multi-Lane Free Flow (MLFF) tolling is being rolled out to enable seamless toll collection and faster movement on highways .
 - India's first barrier-free Multi-Lane Free Flow (MLFF) tolling system has been awarded at Choryasi Fee Plaza on NH-48 in Gujarat and is scheduled to be operational in 2026, with five more such projects awarded.
- MoRTH has also ensured that during highway widening works, users pay only 50% of the earlier toll until construction is completed.
- The FASTag ecosystem has been strengthened through measures like One Vehicle –One FASTag, VAHAN-linked issuance, double fee for loose FASTags, and multiple grievance redressal channels.

Ques: Which company signed a Memorandum of Understanding (MoU) with IIT Madras to establish a Corporate Research Centre at the IIT Madras Research Park, Chennai?

- A) Coromandel International Limited
- B) UPL Limited
- C) Rallis India Limited
- D) PI Industries Limited
- E) Chambal Fertilisers and Chemicals Limited

Answer: Option A

Explanation:

- Coromandel International Limited signed an MoU with IIT Madras to set up a Corporate Research Centre at the IIT Madras Research Park, Chennai.
- The centre will function as a hub for joint research programs, technology incubation, talent development, and international collaboration.
- It aims to promote translational research in agriculture, sustainability, crop nutrition, and advanced agri-input technologies.

Genius

Ques: Which Australian university has announced plans to establish a new campus at Manyata Tech Park in Bengaluru by August 2026, and under which bilateral programme is this initiative aligned?

- A) University of Melbourne – Australia–India Skill Initiative
- B) University of Sydney – New Colombo Plan
- C) University of New South Wales – India–Australia Education and Research Cooperation Programme
- D) Monash University – Quad Education Framework
- E) Australian National University – Indo-Pacific Academic Partnership

Answer: Option C

Explanation:

- The University of New South Wales (UNSW) will set up a new campus at Manyata Tech Park, Bengaluru, by August 2026.
- Initially, it will offer undergraduate programmes in commerce, media, computer science, and data science, and a postgraduate programme in cybersecurity.
- This initiative is aligned with the India–Australia Education and Research Cooperation Programme (2025–2030).
- Out of the 19 international universities approved to establish campuses in India, seven are Australian universities.
- La Trobe University, Victoria University, Western Sydney University, and the University of Western Australia have received Letters of Intent, while Deakin University and the University of Wollongong already operate campuses in GIFT City.
- Apart from UNSW, University of Liverpool and University of Lancaster (England) have also announced plans to open campuses in Bengaluru.

Ques: What was the key outcome of the 6th ASEAN–India Digital Ministers’ (ADGMIN) Meeting held virtually?

- A) Reaffirmation of ASEAN–India cooperation in the digital domain
- B) Signing of a free trade agreement between ASEAN and India
- C) Establishment of a common digital currency for ASEAN–India
- D) Withdrawal of India from ASEAN digital dialogue mechanisms
- E) Launch of a joint defence cyber command

Answer: Option A

Explanation:

- The 6th ASEAN–India Digital Ministers’ (ADGMIN) Meeting was held virtually, reaffirming ASEAN Member States’ and India’s commitment to strengthen cooperation in the digital domain.
- The meeting was co-chaired by Shri Amit Agrawal, Secretary, Department of Telecommunications, India, and Shri Nguyen Manh Hung, Minister of Science and Technology, Vietnam.
- ADGMIN serves as an annual forum for Telecom and Digital Ministers from 11 ASEAN countries and dialogue partners, including India.
- The meeting acknowledged the adoption of the ASEAN–India Joint Statement on Advancing Digital Transformation at the 21st ASEAN–India Summit held on 10 October 2024 in Vientiane, Lao PDR.
